

FREIGHT MANAGEMENT SOLUTIONS

Boost Your Freight
Efficiency and Transparency

ABOUT SHEER LOGISTICS

For over 10 years, Sheer Logistics has been providing a complete logistics solution that allows manufacturers, distributors, and other organizations to reduce their costs and improve product delivery. A key element of our platform is our freight management services, which enable critical optimization, visibility, and control of all shipping operations.

FREIGHT MANAGEMENT SERVICES

-  **FULL OR PARTIAL OUTSOURCE**
Let us take the reins on freight and shipping to ensure peace of mind that all processes are optimized.
-  **AUDIT AND PAYMENT**
We optimize freight accounts payable and receivable to ensure seamless service.
-  **LOAD AND ROUTE OPTIMIZATION**
Our team maximizes efficiencies from the entire fleet down to individual trucks.
-  **CARRIER PERFORMANCE MANAGEMENT**
We verify that each carrier choice in a given region is right for your organization.
-  **SHIPMENT VISIBILITY AND CONTROL**
We track and report shipments so you understand exactly where products are located.

*Our 10+ years of experience power services designed explicitly to **improve logistical efficiency and reduce costs.***
